

Connor Gilbert
Best Man Speech

Instructions:

- 1) Large Group 200+
- 2) Family, friends, colleagues, some business associates
- 3) Large reception venue
- 4) I would like a heartwarming, but not dramatic, speech with a hint of some funny light jokes.
- 5) My older brother Sean is getting married to Jill
- 6) *some tips on occasions we've had*
 - a. Sean is my older brother. He is a very successful Real Estate Developer. He is a graduate of Providence College and Columbia University. He Met Jill while they were in college at Providence College. I think it would be funny to mention that I visited them both at Providence and they really liked to party.
 - b. Growing up Sean always looked out for me and made sure I was going down the right path. As we got older we attended a bunch of concerts together and ski trips out west with him and his friends. We became closer as we got older. Since he is a serious guy, very disciplined, it could be fun to mention that while he isn't working on major real estate deals, he is attending the Grateful Dead Concert with Sean, my father, cousin Jeff, and Uncle Jeff, in New York, where we all tend to let your hair down.
 - c. Overall, I'd like the message to get across that Sean is a role model, very hard working, caring, and puts family first.
- 7) I would like them to feel comfortable and impressed with Sean's ability to be a true family man while also having such a successful career as a real estate developer.
- 8) No action
- 9) Deadline for the speech is June 1, 2020
- 10) Please see 6, a-c.
