WHAT IS FLAFCC?

Florida AFCC is a statewide chapter of the international organization of AFCC, an association of family, court and community professionals dedicated to the constructive resolution of family disputes. Florida AFCC members have a unique opportunity to exchange information and expertise with a worldwide network of judges, lawyers, mediators, mental health professionals, court administrators, accountants, educators, social workers, researchers and other professionals involved in family law. AFCC members are on the cutting edge, developing and refining innovative interdisciplinary techniques and programs for children and families around the world. By joining FLAFCC, you will have access to state and international training programs, receive the FLAFCC e-newsletter, be kept abreast of groundbreaking interventions, and have the opportunity to be involved in committees and task forces to benefit families navigating Florida's legal system.
