Martha,

I am tied up in Charlotte, but available for questions.

This is an important project.

May I recommend that you start with the topic,

- break into bullet points
- expand on each point
- keep brief
- know your audience...

Regards,

Barney Forrest Goodman

District Manager #623

Subject: **Martha's Meeting Assignment**

We are going to have the DM's who are attending the upcoming meeting do a small presentation. This should only be about 15 minutes. Martha is assigned the topic of Host Relationships. I would like her to present her thoughts and perspective on how we can do it differently in 2014. If there is one thing she/we could do to change our success in the area of Host Relationships...what would it be? I would like to have a rough draft of her thoughts and presentation by Monday 10/21 or sooner. Please communicate this to her ASAP. You will need to help guide her through this process. Call me with any questions.

Thanks,

Steve
