(use your browser's **Print** button, **not** special utilities).

Dear ,

Thank you for ordering from !. For **your records**, here's your **ORDER JOB ID**

10000

Use **10000** whenever you correspond with us. We'll be able to help you much faster.

We have just sent you an e-mail confirming this order. You will also receive a **receipt within 48 hours**, should you need one.

We sent this e-mail to the following address that you provided in your order. Please make sure there is no typo in it...

Did You Not Receive Our Email?

If the address **is correct** and if you do **not** receive this important e-mail within 30 minutes, your e-mail is being filtered out (by mistake) by your ISP or mail service. What to do?

First, check your "Junk" folder -- your ISP or mail service may have filtered it there. If you **do** find it there, whitelist us (see whitelisting help below to ensure that you can receive **all** SiteSell e-mail).

If it is not in the "Junk" folder, they may have deleted it, in which case...

If you noticed a typo in your e-mail address:

or if you did not receive the e-mail at all please send us an e-mail to:

In your note to us, please include...

- 1) your e-mail address, (copy-and-paste this into your note to us, so we receive it exactly the way you entered it when you ordered)
- 2) the JOB-ID NUMBER, **10000** , so we can trace and reply to you quickly
- 3) whatever you need help with. We will correct the typo in our database and re-send the order confirmation email
