

Between now & then there has been so much, most of which I know all about, b/c as Steve knows by now we'd tell each other everything.

St

For then on Steve was all I heard about-

For then on

That was just the start of what would begin to win Kelly over

It was from then on that Steve began to win over Kelly's heart w/

- w/ date nights to their favo^{rite} rest. for sushi & oyster
- to dancing showing Kelly his dance moves to gangnam style... unbelieveable
- his singing abilities to ~~win~~ Quiet Riot *Raise your Hands*
- his quick sense of humor
- his ability to learn early on that game night was a ~~loss~~ ^{power} for her. If he won Kelly wasn't happy if he lost you see if he won he really lost b/c somebody really didn't like to lose and he learned just as fast that one particular little girl is very much like mom.
- his love for as much as Kelly's love, their love for north of Wausau
- his respect for her
- his commitment
- his overall genuine love for her

It's all of these and more that made Kelly fall in love
... even just the other day
he text Kelly "6 more days til you miss"

Sorry Steve, you know by now she tells me everything

Steve also has one the hearts of two previous girls
