Tallulah Falls School (tallulahfalls.org) is a private boarding and day school with international students. Our 60 graduates have earned 6 million dollars in scholarships. This is not unusual for our school. The relative number varies from year to year but it is always astonishing. It is our goal to provide each student with the tools to be successful with every step they take, especially when heading to college. The school mission statement is "Preparing each student to thrive in life by elevating character, and intellect in a challenging and diverse college preparatory environment". Character and serving others is what I would like to emphasize.
