We will be holding an Open Forum Board meeting to discuss with the Community the following agenda on most pressing issues we are currently facing in our community for initiating the communication process. I asked if we have a community meeting to discuss the back to basics and open our channels of communication and educate any who are unaware for venues Most of you have been and I hope will continue to support in the future. I think it is time for us to get voluntarily at your pleasure but we are in a bind and need support from the peaceful community we all desire. The board comprised of myself, Michael and Laurel serve Neighbors of Parsons Woods, things have been a bit dramatic around her lately and we have gone far from the peaceful community we all desire.
